

The Auxiliary is looking for dedicated people who are interested in recreational boating safety and assisting the Coast Guard. We need you to contribute your time and effort. Your special and professional skills will be useful to the Coast Guard and the Auxiliary.

Why Join?

- Be part of the action
- Assist boaters
- Improve your boating skills
- Serve the Lake Anna Community
- Enjoy fellowship
- Be part of Team Coast Guard
- Support Homeland Security

You're Invited

Come to a meeting the 3rd Tuesday of each month at 7:00 pm at the Elk Creek Baptist Church (Rt 652/Kentucky Springs Rd) in Louisa County.

What We Do To Help

The United States Coast Guard Auxiliary is composed of uniformed, non-military volunteers who assist the Coast Guard in all of its varied missions, except for military and direct law enforcement.

The Auxiliary is the only Coast Guard presence on Lake Anna, a non-federal lake. Our mission is to promote safe boating. The Flotilla conducts water safety patrols and free vessel safety checks; teaches safe boating classes; and supports local fire/rescue operations on Lake Anna. Members of Flotilla 87 are available to speak to groups and schools about safe boating.

Don't be a Litter Boat!

Don't throw any litter into Lake Anna. Trash in the water can injure or kill aquatic life. It's also against the law.

So remember, if you had room to take it, you have room to bring it back.

Wear Your Life Jacket**

Take a Boating Class Be a Smart, Safe Boater

Learn about your boat, boat handling, navigation, equipment, emergencies, boating laws, personal watercraft (PWCs) and other topics.

- The third Saturday of each month
March to October)8:30 am 'til 4:30 pm
- At Elk Creek Baptist Church
(Rt 652/Kentucky Springs Rd. in
Louisa County)
- Cost includes materials, handouts, a CD
and Certificate
- Reservations required

The certificate allows 14 & 15 year olds to operate PWCs. It may also result in a discount on your boat insurance.

Get a FREE Vessel Check

Boat with confidence knowing that your boat and its equipment meet state and federal requirements. A Vessel Safety Check is a free check of your boat or PWC to make sure that the required equipment is on board and in good condition. The VSC is not a law enforcement inspection.

Your boat can be checked at Flotilla 87's VSC Stations held at different Lake Anna marinas on Saturdays during the boating season from 10 am – 2 pm. Visit our website for a schedule of events. We do make house calls.

Help! I Have an Emergency

Immediately: Put on Life Jackets. Assess the Situation. Anchor the Boat. Make sure no one is hurt. Stay Calm **Call 911** if there is a life threatening emergency. Call Lake Anna Station on Channel 16 of your VHF radio or at 540-872-3741 and call the Louisa County Sheriff's Office at 540-967-1234. Provide clear information about your location, your boat and the emergency.

Signal for help with any means available - with an orange flag, by waving both arms or by sounding a loud whistle or horn, or at night a flare or flash light.

Fire: If there is a fire, try to put it out. If you can't, have everyone put on life jackets, get into the water and swim away. If your PWC is on fire, don't try to put the fire out, immediately get off and swim away

Suspicious Activity: call 540-967-1234
